- Bulk quality evaluation with drill-down

Applications

- Intelligence
- Defence
- Law enforcement
- Fraud investigation and prevention

Case Study: HQ JOC Defence Intelligence Solution

Australian Government
Department of Defence

The Sintelix solution delivered a broad range of benefits to HQ JOC, enabling them to analyse unstructured data from multiple sources. Project outcomes included:

- **Intelligence:** Quick and easy conversion of unstructured data from messages into actionable intelligence.
- **Quality:** Sintelix greatly improved the quality of information extracted from data feeds.
- **Efficiency:** The speed of information extraction has been increased exponentially.
